## Application for Exemption from Pre- or Co-Requisite Requirement

Courses may have pre- or co-requisites that have to be fulfilled before taking the course. If you do not meet the pre- or co-requisite, the Instructor of Record may in some cases exempt you from this requirement. If the instructor does so, please submit the Application for Exemption from Pre- or Co-Requisite Requirement no later than the last day of the drop/add period (for the actual dates, please consult the Academic Calendar online). Please do NOT attempt to register on CampusNet for the desired course. Upon receiving the completed form, **Registrar Services will register you for the course.**
