Application for Extension of Master Studies

If you are not able to finish your Master studies at Jacobs University within the regular period of studies (student contract), you have the option to apply for an extension.

To do so, please submit the following documents:

1. Completed Form “**Application for Extension of Master Studies**”
2. A **personal statement** explaining why you were unable to finish the graduate degree within four semesters. If applicable, attach proof (e.g., in cases of illness, personal emergencies, etc.)
3. A **detailed study plan** showing how you are planning to make up for the missing graduation requirements in the additional semester(s). The study plan has to be discussed with and approved by your academic advisor. For guidance in this regard, please contact Academic Advising Services.

Deadlines: The application must be handed in to Registrar Services by no later than **July 1st** for the following **Fall Semester** and by no later than **December 1st** for the following **Spring Semester**. Only complete applications will be accepted.

Important: Please note that in case of an SFS (financial) hold on the CampusNet account, the hold needs to be solved before the application can be processed. If the SFS hold is not solved until the payment deadline, the application can only be considered for the next application round.

No financial aid (scholarship, grant, tuition deferral) will be available for an extension of studies. Tuition fees for an extension of studies are based on paragraph 5.6 of your student contract or can be found on the following website: <https://www.jacobs-university.de/extension-studies-tuition-fees>

Jacobs University reserves the right deny your application for an extension. In this case you may submit an application to appeal the decision. Please refer to the website of Registrar Services for further details.

Personal Information	
Matriculation N°
