CHAIRMAN OF THE BOARD OF GOVERNORS

Dr. Serg Bell

ACCREDITATION / RECOGNITION

Opening: September 2001

- 1999** ■ Official recognition by the Free Hanseatic City of Bremen
- 2001** ■ Accreditation by the German Council of Science and Humanities (Wissenschaftsrat)
- 2004** ■ Accreditation of all Bachelor's programs by the German Accreditation Council (ACQUIN)
- 2006** ■ Announcement of Jacobs Foundation's investment of €200 million, the largest donation in Europe ever made to a university (benefactor honored by name change at the beginning of 2007: "International University Bremen" becomes "Jacobs University Bremen")
- 2008** ■ Institutional reaccreditation by the German Council of Science and Humanities. Renewal of the reaccreditation is required only on request of the City of Bremen, as the university has permanently proven its academic constitution.
- 2010** ■ Renewal of the official recognition by the Free Hanseatic City of Bremen
- 2018** ■ Renewal of the official recognition by the Free Hanseatic City of Bremen until 2027
- 2019/2021** ■ Accreditation of all bachelor's and master's programs by the German Accreditation Council

RANKINGS

Jacobs University occupies top places in respected university rankings year after year.

— TIMES HIGHER EDUCATION (THE) WORLD UNIVERSITY RANKINGS

Ever since the university's first inclusion in this renowned ranking in 2018 for the following year 2019, Jacobs University was able to attain top-results by global comparison. In 2022 it is considered to be among the top 30 percent out of more than 1,600 universities worldwide and is ranked most international university in Germany. Jacobs University also scores first place as best private university by German-wide comparison.

— TIMES HIGHER EDUCATION (THE) YOUNG UNIVERSITY RANKINGS

In 2021 Jacobs University takes place 27 in a comparison of 475 universities worldwide, that are younger than 50 years. Jacobs steadily improves in ranking by German-wide comparison and reaches an excellent 2nd place in 2021, thereby trumping last years 3rd place. It reaches first place in the categories "teaching" and "internationality" in 2021.

— TIMES HIGHER EDUCATION (THE) WORLD UNIVERSITY RANKINGS FOR SOCIAL SCIENCES

In 2021, Jacobs University participated in the ranking for the first time, and made it into the top 175 universities in the world with its two bachelor and two masters programs in this field. In a German nation-wide comparison, Jacobs even ranked eighth in social sciences.

— U-MULTIRANK

The University has achieved top results in the international U-Multirank since its inception in 2014. In the 2021 evaluation, the university performed especially well in terms of international orientation, adherence to the standard period of study, research and knowledge transfer, gender balance regarding the transition to doctoral studies.

— CHE-RANKING

In Germany's most comprehensive and detailed university ranking by the Center for Higher Education (CHE) Jacobs University has also been highly successful every year since its first participation in 2005, especially in the categories "Support at the Beginning of Studies" and "International Orientation".

— HUMBOLDT RANKINGS 2020

Jacobs University Bremen is one of the most popular universities among researchers from abroad being ranked seventh place among the more than 80 evaluated universities in the Germany-wide comparison. The rankings are based on the number of guest stays by top international researchers and young scientists who have conducted research in Germany as Alexander von Humboldt Foundation fellows or award winners over the past five years.

MISSION STATEMENT AND KEY OBJECTIVES

Jacobs University is a private, English-language campus-based university offering the highest standards in research and teaching. By means of academic education, intensive support, and through living together on an international campus, its objective is to encourage young, talented people, irrespective of nationality, religion, and background in becoming citizens of the world, able to take leading and responsible roles for the future sustainable and peaceful development of humanity.

Jacobs University has derived four core objectives for its educational profile from this mission statement:

ACADEMIC QUALITY

among other things through interdisciplinary learning, individualized academic mentoring, and early involvement of students in research projects

PERSONAL DEVELOPMENT

increasing self-competence and social skills in a community characterized by diversity

INTERNATIONALITY

promoting intercultural skills through living and learning on a campus with people from more than 110 nations

READINESS TO JOIN THE WORKING WORLD

imparting the specialist and interdisciplinary skills required for a successful career in business or science

RESEARCH AND TEACHING

Jacobs University aims to contribute to solving the global problems of the 21st century. The University's profile in research and teaching therefore focuses on the following general topics:

- **Mobility** – of people, goods, and information
- **Health** – focus on bioactive substances
- **Diversity** – in modern societies

SCIENTIFIC PUBLICATIONS

More than 350 peer-reviewed, original papers per year in international journals

QUALIFICATIONS

Bachelor (3 years), Master (2 years), PhD

ADMISSION REQUIREMENTS

Admission to Jacobs University is achievement-oriented.

Admission requirements for undergraduate programs:

- Online application form (Common Application)
- Recommendation letter of a teacher
- School transcripts
(plus university transcripts of transfer applicants)
- Educational history form
- Standardized test (SAT/ACT/TestAS)
- English language proficiency test (e.g. TOEFL)

Admission to International Foundation Year, Master's and doctoral programs:

Each program has different admission requirements. Please see our website for detailed information.

TUITION

Depending on the study program, between **€10,000 and €20,000 per academic year**

Individualized financial aid packages, involving grants, scholarships, and tuition deferrals assist qualified applicants for Bachelor's and Master's programs in commencing their studies at Jacobs University.

GRADUATION

GRADING SYSTEM

Jacobs University undergraduate majors require students to earn 180 credits and graduate programs require students to earn 120 credits in order to graduate. One ECTS credit point is equivalent to 25 hours of student workload. Our grades range from 1 to 5, with 1 being the highest possible grade. Please refer to the table below (valid as of February 1, 2020) for suggested comparative information:

Percentage	Numerical Grade	American Letter Grade
≥ 95%	1.00	A+
≥ 90%	1.33	A
≥ 85%	1.67	A–
≥ 80%	2.00	B+
≥ 75%	2.33	B
≥ 70%	2.67	B–
≥ 65%	3.00	C+
≥ 60%	3.33	C
≥ 55%	3.67	C–
≥ 50%	4.00	D+
≥ 45%	4.33	D
≥ 40%	4.67 fail	D–
< 40%	5.00 fail	F

STUDY SUCCESS INDICATORS

Graduating students in 2020: 332 in total

Bachelor's: 243, Master's: 50, PhD: 39

Graduation rate*: Bachelor's: 93.5%, Master's: 92.4%

Graduating students since 2004: 5,575

ALUMNI

- 95% of the alumni are currently employed or pursuing a further study
- 20% of the alumni pursued further studies in one of the worldwide leading universities of the Ivy League, the U.K. Russell Group or the Top 10 institutions of THE World Rankings
- 85% of the alumni would definitely recommend to study at Jacobs University and 93% feel well prepared for a further study after graduation

(Source: Alumni Survey 2018)

* The basis of the completion rates includes all students who were originally enrolled for the class graduating in the respective academic year. Students of this class who have been on a leave of absence and are therefore expected to graduate later or who left the university between their enrolment and their expected graduation date on their own wish (e.g. change of university) are not included into the basis of the rates.

ON CAMPUS

STUDENTS

2021 Academic Year, Fall Semester

over 1,600 students from more than 110 countries
(incl. visiting/exchange students)

Preparatory programs: 34 students

Bachelor programs: 1,127 students

Master programs: 215 students

PhD programs: 230 students

EMPLOYEES

410 employees, of these:

60 professors, 186 researchers and lecturers

CAMPUS

- Area of approx. 34 ha
- Four colleges as living and work communities for students: Alfried Krupp College, Mercator College, College III, College Nordmetall
