A WORLDWIDE NETWORKING COMMUNITY

Jacobs  
University  
Bremen

“Even after my time at Jacobs, its community and network continue to enrich my personal and professional life. By giving back and contributing to Jacobs myself, I acknowledge how much it has given me in the first place.”

The aim was to foster relationships between students after graduation, to create and nurture a lifelong bond between the University and its graduates, as well as to support current and future generations of students. By becoming involved in a globally engaged community, you will continue to share and shape Jacobs University’s unique values and vision. **Sign up with Jacobs Alumni and become an active ambassador of the Jacobs spirit, wherever you are and whatever you do!**

### YOUR NETWORKING OPPORTUNITIES AND CHAPTERS
