FINANCING OPTIONS
GET THE RIGHT SUPPORT FOR YOUR EDUCATION
We believe that everyone has the right to a good education – and this is the principle we live by here at Jacobs University. This is why we offer students a personalized financial aid package to finance their studies, consisting of scholarships and deferral options, for example. You only start repaying the deferred tuition fees once you successfully entered the job market. That way you can focus completely on your studies. We are convinced that a Jacobs’ education will form the perfect foundation for your future career – that is why we are happy to invest in you. Our financing options are automatically available to you upon admission to a study program.

- An outstanding education that everyone can afford
- Granted independently of your family’s financial means
- Simple application process
- Repayment begins after your successful career start

FINANCIAL AID IN FOUR EASY STEPS*

1. Your Application & Admission
   You’ve completed the most important step!
   ✔ Our financing options are available to you immediately upon admission.

2. Your Merit-Based Scholarship
   Regardless of your financial situation
   ✔ We automatically determine if you’re eligible for a scholarship.
   ✔ The decision is based on your academic skills and social commitment.
   ✔ The scholarship does not need to be repaid.

3. The JUStudyAtEase Program
   In cooperation with our partner Brain Capital
   ✔ Deferral of tuition fees is calculated automatically.
   ✔ You decide whether you want to take advantage of this personalized financing option.
   ✔ Granted independently of your financial situation.
   ✔ Flexible repayment plan based on your future income and personal circumstances.

   Start you career first!
   Repayment doesn’t begin until you have reached a predefined minimum income.

   Excellent terms ensure you succeed!
   You pay a percentage of your income for a limited period of time.

   We’re your partner no matter what!
   If you earn less than the defined minimum income level, repayment is deferred.
