SAVE THE DATE!

Dear students, dear community!

We would like to inform you about our Supplier Food Fair, which will take place from **Monday, 12.09.22 until Friday, 16.09.22** at our campus in the College Nordmetall. The Supplier Food Fair days are intended to give you the opportunity to get a "face" to our products, which we purchase from the respective supplier partner. At College Nordmetall, we will have a variety of snacking portions available for lunch and dinner with the supplier together so that you can sample through a variety of culinary highlights.

The following suppliers present themselves in the following:

Monday: Fresh Food Service - our meat supplier

Tuesday: A&S - our vegetable supplier, artefakt- our artisan olive oil supplier, hilcona – our pasta food and Kreyenhop & Kluge – our Asian specialty supplier.

A small food court is also set up outside the college (including a Tuk Tuk). Here you pay exclusively with vouchers, which you can buy in advance at the cashier.

Wednesday: Langenbach AG – our fingerfood and halal chicken supplier

Thursday: First Orient Food – our halal food supplier

Friday: Deutsche See - our seafood supplier

We will always inform you, which different snack portions are exclusively held in the College Nordmetall. In all other colleges (serveries) we serve our dishes from the menu as usual! We are already looking forward to exciting, culinary days with our valued delivery partners and you personally on campus.

Many greetings from your apetito catering team

Guten Appetit!
